

Decoration and Lettering

Choose one of these titles:

1. Moonbeam Garden
3. Organics

2. Fields of Gold
4. Dreamscape

Task 1

Fit the letters of your title into the panel at the top of the design. You must use block letters and make good use of the space.

Task 2

Decorate the design and title using pencil to make patterns, textures and tones.

Be careful not to use too many, you can repeat the same ones.

Examples are given below and you can make up your own.

The title should stand out.
